PCC—St Cuthbert's Church

THE FRIENDS AND THEIR OBJECTIVES

There is a constant need for restoration work which has to be carried out to a high standard. The preservation and enhancement of this Ancient Building has to be maintained and adapted for the needs of our future generations. In order for this to happen we need YOUR help.

In the recent past the spire has been repaired, new pathways put into the churchyard, and this at a cost of many thousands of pounds. The PCC now needs YOU to help fund any future repairs and to support the upkeep of the fabric of the Church building and the Churchyard.

The Friends of St Cuthbert's was formed to help with the future cost of maintaining this beautiful church which is important to so many people.

St Cuthbert's has a warm and friendly atmosphere, a legacy from centuries of prayer and devotion. Please will you help by becoming a FRIEND of ST CUTHBERT'S CHURCH and becoming part of its future.

Membership offers the opportunity to contribute to this work. All funds collected by membership and Gift Aid will be used by the PCC for the upkeep of the fabric and maintenance of the Church and Church – yard.

We will keep you informed of what is happening with a regular newsletter which we will send by email—please give us your email address, and via the Halsall Newsletter & FACE-BOOK page & the website

ANGELA writes:

Why I want to become a friend of St. Cuthbert's Church Halsall.

Although I have never lived in Halsall or attended the school, St. Cuthbert's church has a long history in our family. St Cuthbert's is the place where we have 'always' worshipped. It is the place where both sets of grandparents worshipped, my parents were baptised, confirmed and married. The church is where my parents met! My brother and I were baptised and confirmed in the church and I was married there. My husband's family also have very strong links with St Cuthbert's - both families knew each other through church long before we got together. Grandparents on both sides of my family are buried in the grounds. My son was baptised at St. Cuthbert's and attends the church school. Mum and I were both in the church choir for many years. There have been church wardens in the family, my husband rings the bells, he is a sidesman and I have been on the PCC for a time. Therefore, St. Cuthbert's Church plays a very important part in our lives. I would very much like that to continue in the years ahead. I want the church to be there when I am long gone for future generations, for them to Worship in the magnificent building and for others to feel the security it has brought me during the many ups and downs that life throws our way. What an achievement it would be if we could keep St. Cuthbert's alive for generations to come, by becoming a friend of the church I feel I am doing a little to help make that a reality.
