The Reader, David Walker, Writes:

I write this on a freezing cold January evening. My BBC Weather app tells me that it's 5oC outside with 20mph winds making it feel like 1oC! Overnight hail showers are predicted.

For many of us, the weather reflects our general mood. It can feel like we are being worn down by the pandemic. The latest Covid rates make gloomy reading. The silver lining is that the Omicron variant has to date resulted in a lower proportion of cases requiring hospital treatment and the vaccine has helped to prevent much higher rates of serious illness.

Although we may seem to be "stuck", much has changed. Exactly a year ago, on 2nd February 2021, reports first appeared in the Lancet showing that "Russia's Sputnik V COVID-19 vaccine is deemed 91.6% effective", and a year ago the third covid vaccine was authorised for use.

I have the joy of being a vaccinator. The amount of energy, skill and people power that has gone into researching Covid, developing a vaccine and rolling it out has been inspirational. To be part of the huge machinery of nurses, doctors, dentists, pharmacists, health care assistants, stewards, administrators, fire fighters and the armed forces is to be very aware of the privilege of living in the UK. The NHS infra-structure has made it possible to quickly identify and contact people, enabling rapid rollout of the vaccine – free of charge. I have a friend in Ghana, where only about 8% of the population has been fully vaccinated.

Of course the pandemic has had a major impact on our sense of security and well-being. It's easy to feel helpless but there are things we can all do. Wash or sanitise our hands frequently, wear a mask when in enclosed spaces, test for covid before meeting with people you don't live or work with, keep your distance when indoors with people not in your household, and get vaccinated. These simple measures should be part of our Christian duty to care for others; to love our neighbour as ourselves.

Whilst the pandemic has been difficult for everyone, throughout we have also seen the very best of humanity. Individuals, organisations and communities like ours in Halsall have come together to help the most vulnerable and isolated. At a time of unprecedented demand at the Micah Foodbank, donations have risen to match the need.

So I take hope from the best of humanity as well as from the unfathomable love of God.

I leave you with a prayer (adapted from *an Ebola prayer by Caritas, Guinea*):

Lord God, we entrust to you the families and communities affected by Coronavirus, wherever they may be.

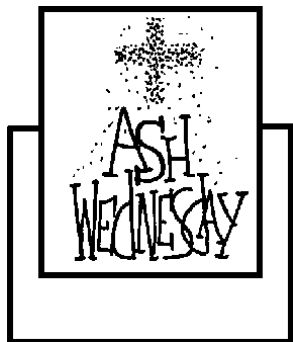

We pray especially for health care workers, that you may guide and protect them.

We pray that your Spirit might inspire those researching new medicines and treatments.

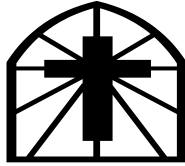

And in the midst of this, keep us strong in faith, hope and love. Grant us the courage and perseverance to be good neighbours.

May the words of your Son Jesus Christ in the Our Father, be our prayer as we entrust ourselves and all of us who are affected to your infinite power and love.

Amen.

Supporting St Cuthbert's Church

The website for St Cuthbert's Church can be viewed at

www.halsallstcuthberthub.co.uk

This website contains information about services and events, archive material including historic school records, up to date Parish Magazines as well as those dating back to the 1800's. On the spot updates are also available via the St Cuthbert's Facebook page through which direct messages can also be sent. There are several ways in which you can support the Church:

Parish Giving Scheme

Regular giving can be set up very easily by searching:

www.parishgiving.org.uk

and look up St Cuthbert's Halsall (there is also a link on our website). You can choose how regularly, how much and whether your donation can be gift aided. Your gift will then be passed directly to St Cuthbert's.

Friends of St Cuthbert's

Donations can be made to our "friends" scheme and the form can be downloaded from our website (Friends link on the home page). All funds raised through this scheme are directed specifically towards the repair and maintenance of the Church and grounds. There is a minimum donation of £20 per year but you can choose how much and how regularly you would like to donate.

Ad hoc Donations

These can be made via the collection box in Church or by post.

Volunteer Support

If you have a little time to spare you may like to join our team of volunteers who help to keep the Church and its grounds tidy and clean. Please message via our Facebook page or e-mail us for further information on: info@halsallstcuthberthub.co.uk

Thank you!

Access to St Cuthbert's Church.

If you require the ramps to be put over the steps in order to gain access to church services or to visit the graveyard, please ring one of the wardens to arrange a mutually agreeable time.

Shirdley Hill Residents would like to thank Massams Supplies Ltd for the donation of a Christmas Tree for the Village green.

It seems such a long time since our Christmas festivities.

Despite the fact that some of our Christmas services had to be cancelled or curtailed at short notice because of Covid rules, we hope we still managed to put a smile on people's faces with the Christmas Tree Festival, the beautiful Christmas tree lit up in the churchyard and of course our Giant Snowman at the church gates.

Thank you to all involved in helping make this happen.

Enid Banks on behalf of Halsall Church.

Class H Rec and Year 1

Class H Year 1 and Year 2

Class F Year 2 and Year 3

Class C Year 4

Class K Year 5

Class G Year 6

If there is anyone who is interested in their child attending Halsall St Cuthbert's, please ring the office to arrange a tour of the school. 01704 -840253

Covid Challenges

In the autumn months leading up to Christmas, covid presented enormous challenges to the school and its families. Through the effective covid procedures both in school and at home, through people being vigilant and considerate and with that a little bit of luck, we managed to fully stay open and had no need to send home bubbles of children. Under the circumstances, I feel that this was a massive achievement.

Despite covid, we did amazingly well to carry on as normal and give the children so many exciting and wonderful opportunities experiences through the term.

We've had trips to Chester Zoo and Lancaster Castle, a Harvest Service in church, we've organized a pyjama and a hot chocolate day, a pirate day, a parents' evening, a Spooky Disco, a cinema night, a dress-up day, a Family Fun Night BBQ, a brilliant night of fireworks, 2 beautiful nativities and 3 superb performances of the Joseph and His Technicolour Dreamcoat. We also hosted the church Christmas Fair, a badminton club, a drama group, we've carried on with swimming, we've had a fabulous Christmas party and the children have also competed in a wide range of inter-school sports competitions. Staff are presently organizing PGL residentials for years 4 and 5 and an adventure week in North Wales for the year 6 in summer 2022.

This is partly what makes our school special. It's a massive thanks to the staff for all their hard work and commitment to giving the children the best possible time. They have been incredible.

Christmas Concerts for Charity

The Christmas concerts (Joseph and His Technicolor Dreamcoat and the reception and infant nativities) were a tremendous success. Altogether, from ticket sales, the raffle and donations, we raised nearly £3,400 for charity. Cheques have now been sent to both Alder Hey Hospital and Derian House. (please see photo)

Halsall Village Proud & Tidy Group

Spring is on the way. Hurrah!

So, our thoughts turn to plans for the coming year to help keep our lovely village in good order.

We are taking our cue from the Lancashire Best Kept Village Judges reports from last year (published in the Dec/Jan newsletter). There were many very positive things they said about the village and also some suggestions for areas within the village centre which could do with improvement as follows -

- The old corrugated building at the playing fields (snooker hut) was criticised for being run down with neglected windows etc. We put forward a detailed costed plan for refurbishment, but this was rejected as the Parish Council are considering plans for a longer term solution. That's very good news and we look forward to hearing about progress on the project.
- Benches - It was noted that some of the benches both in the Churchyard and around the village need attention.
- Telephone Box - Although it was credited for being well kept and clean, it was empty with no books, no phone and no information about its current use. Has anybody any ideas of what it could be used for - book swop, jigsaw swop, plant and seed exchange, pictorial museum of Halsall history etc, and, most importantly, is there anyone willing to set it up and look after it?
- Bishops Walk Fencing The blue wicket fencing around the picnic areas needs mending and/or replacing. The new panels in the centre of the area were damaged by falling trees in the strong winds in the autumn and there are already plans to mend these, but the two areas at the school end are rotting and falling apart in places. Maybe these can be fixed to get by for another year but they will need to be replaced soon. It is a big outlay in both money and volunteer labour and will need to be planned for carefully.

- Both sets of judges remarked on one of our commercial premises needing attention to their forecourt, but as this is privately owned we have no control over what improvements could be made.
- Litter bins - a number of litter bins are looking in need of attention so we have sent photographs to WLBC and asked if they will replace them.

So, there are plenty of jobs to be done, besides the never ending litter picking chores.

We also need to raise funds for our work. One way of doing this is by organising the annual Scarecrow Trail, so taking part in that would be a great help with our finances.

There are many different people in the village already doing their bit around and about to make our village worthy winners of the Best Kept Large Village in Lancashire last year. Thank you to one and all!!

If there are more people in the village, newcomers or long term residents, who would like to help out in any way, then please let us know. Jobs can be done in groups, or by individuals at times to suit yourselves.

The Halsall Heraldry

The Halsall family were the Lords of the manor of Halsall in medieval times, they have had two different coats of arms. The Ancient coat of arms is an early shield argent (silver), two bars azure (blue) within a sable (black) border dating from

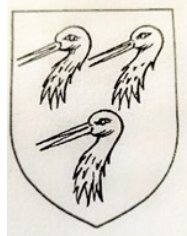

circa 1300. The only known representations of this are on the tomb of Sir Henry Halsall in the chancel of the church, and on the medieval brass on the north wall which shows both coats of arms.

The second coat of arms dates from the era of Sir Henry from early 15th century, it comprises an argent (silver) shield with three dragon heads in azure (blue) erased (ragged edged). The dragon heads have sometimes been depicted as snake heads and this is so on the medieval brass. The Halsall heraldry can be found in other churches of the same era such as Ormskirk and Standish near Wigan. The coat of arms was modified by Thomas Halsall son of Henry Halsall later in the 16th century to snake heads on a background of argent and these hang in Shire Hall Lancaster Castle. The arms were further modified by Cuthbert Halsall illegitimate son of Henry Halsall he was High Sheriff of Lancashire in 1601 and he put stork heads instead of dragons on his arms and a background of or (gold) later after he was knighted he became Sheriff again in 1612 and changed the colour of the stork heads from blue to black.

The crest on the tomb to Sir Henry has a gold background and this is therefore an error as are the shield to the Bold family (the Griffin), the Tempest family (six blackbirds) and the Stanley crest of 3 stags heads which also have erroneously golden backgrounds which should be silver. The tombs had no

markings or colours during the renovations of 1876 so they are a fairly recent addition. This may explain how the mistakes were made.

I run a jigsaw club from my home in Scarisbrick. I have over 200 jigsaws available to lend out which has proved very popular during lockdown. I read that the virus can stay on cardboard for 24 hours so all jigsaws are quarantined for 72 hours before being lent out. Being close to the Morris Dancers, I am well positioned for people to swap jigsaws on their journey to/from hospitals/shops.

Its free to join and free to borrow. We just ask for a donation of a jigsaw then you can borrow and return as many jigsaws as often as you like. I have done over 60 jigsaws since lockdown began so it has saved many of us a lot of money. I have attached the link below.

<https://www.facebook.com/groups/1526267210867010>

If anyone has any jigsaws they could donate,
I will happily collect. Thank you.

Digital *St Thomas & St Catherine's* Resources

Our churches have a website, a Facebook page and a Twitter feed. Hopefully they will provide a gateway to those that already exist and an information resource for those wanting more information about our churches. Weekly Newsletters and service times should be uploaded regularly. If you are interested, please sign up to the Facebook group and Twitter feed. You might also like to make suggestions for content on our website and please let me know any errors you spot!

NOW IN HALSALL

Gardener`s Corner

February at-a-glance.

The first signs of spring are starting to appear if you don't mind going out to look for them! February is a subtle month with catkins and the first bulbs cautiously pushing their heads above the wintery earth, while keen gardeners desperately look for some real gardening to do. Happy gardening.

General Garden Tasks

Make new beds and borders

Finish off winter digging

Order plug plants

Prune certain types of clematis – refer to a good gardening book for exact advice

Renewal – prune old shrubs, deciduous hedges and climbers

Brush snow off conifers, large evergreens and hedges to avoid splaying or breaking

Move deciduous trees and shrubs (ideally do this in November or early March)

Plant lily-of-the-valley crowns

Keep deadheading any winter flowering pansies or polyanthus in tubs and hanging baskets

Water and top-dress plants in year-round tubs and container grown herbs

Prepare soil ready for sowing, covering it with polythene sheeting to warm it up for early vegetables

Plan shallots and Jerusalem artichokes.

Prune autumn-fruiting raspberries now, and plant new canes between now and mid-march

Protect strawberries with horticultural fleece

Finish winter-pruning standard apple and pear trees

Ventilate the greenhouse at every opportunity, but water as little as you can get away with

Pot up stored dahlia tubers and lily bulbs

Spray fuchsias with water on fine days o start them back into growth

Chit potatoes if you didn't get chance last month

Take precautions to make sure your pond never freezes over entirely

Get-a-head

Prepare the greenhouse before the season gets fully underway –clean water storage barrels, watering cans, pots and seed trays, propagator and greenhouse glass.

Plants in their Prime

Hellebores, Hamamelis, Viburnum, Mahonia japonica, Sarcococca, Skimmia japonica `Rubella, Clematis `Freckles`, Jasmine, winter- flowering pansies, Saxifraga apiculata, Daphne mezereum, Abeliophyllum distichum (white forsythia), Sempervivums

Bulbs – Iris riticulata, Crocus, Narcissus (varieties) scilla, Anemone blanda
