# We need you!

Our advertising officer Diane Marsh will be moving to pastures new very soon so will be unable to continue her hard work for the Halsall News magazine. We are seeking a volunteer to assist the team by liaising with advertisers, and collecting payments. If you think you would be able to help out each month please contact the Rector in the first instance for any further information.

Rector

The Revd Paul Robinson.

Phone 0151 5260512 or Email: [frpaul.robinson@btinternet.com](mailto:frpaul.robinson@btinternet.com)

We would like to take this opportunity to thank Diane for all her hard work for the magazine in recent years and wish her well in the future.

Halsall News can now be viewed online at

## The Rector Writes

I hope that you all had a great summer, and, even if you didn't get away, you managed to find time for some rest and relaxation and that your 'batteries' are charged and ready for the rush into Autumn.

September is of course, a bit like spring, in that it is, for many – especially the young - in our community, a time of new beginnings. And it is the children and young people and their 'new beginnings' that I want us to think about this month.

For some of the children and young people of our parish the summer months are an important time of waiting, decision-making and preparation for the future – an important time for new beginnings.

For the young people who have taken their GCSE's, 'AS' Level's and 'A' Levels this year, August was the month they got their results. These results are important for them as they make their decisions for the future and begin upon a path of new beginnings that will lead them to work, college and university.

For those children who were in Y6 – the final year - of our Primary Schools back in July and therefore the 'elders' of the school, there is a new beginning for them at their Secondary Schools. They will have to get used to the unfamiliar, to a larger school – both a bigger building and more pupils, to new teachers, other new students to a new timetable and a whole host of other things, and this can be quite daunting and unsettling. Those first few months in a new school are important for each child as they begin to settle down and get used to new ways.

And spare a thought for the 'little ones' the children who, after having been at nursery or home, now start school 'properly' as they join the Reception Class. What must be going through their minds during those first few weeks as they adjust to a new and different way of doing things! Going to school for the very first time can be hard and I know that for some there will be a few tears. I know that I cried for the first week or so because I didn't want to leave my mum – and no it wasn't when I was 30 it was when I was 5.

Even for the children and young people who are staying at the same school there are some new beginnings. New Classroom, new form teacher – are they really as strict as others have said?? – new and different challenges to face.

So over the next month please spare a thought and a prayer for the young people of our parish, for your own children and grand-children, as they settle down and adjust to life in school remembering that for some of them it is really a 'new beginning'.

With all good wishes

Paul

Warrington Archdeaconry

Family Fun Day

"The Challenge of Change"

October 31<sup>st</sup> 2015

10.00 am - 3.00 pm

at Liverpool Cathedral

The Family Fun Day is for parishioners to

1. Celebrate the life of the Archdeaconry – family fun and fellowship.
2. Commit ourselves to the challenges and changes that lay ahead.
3. Worship together with an Archdeaconry Eucharist with Bishop Richard as our preacher
4. Say farewell to Archdeacon Peter and Pat as Peter retires as Archdeacon.

The day will include activities such as a climbing wall, caving, Brass Band, birds of prey, crafts, Farmer's Market and much, much more with opportunities for all of us to look at, and share, what has changed in our parishes, our churches, our schools, our families and our faith since WACATTACK 2009 as well committing ourselves to those challenges and changes that lay ahead.

Parishes and schools will have a range of opportunities to get involved in activities and show what you are doing locally. So you can

- Bring a banner
- Bring a display, article or 5 minute video showing how you are responding to the challenge of change
- Enter our great "selfie" competition - me and my church
- Enter the bowling competition

**So we can plan these great events - please complete our form to let us know what you will do.**

The day will be great day for the Archdeaconry of Warrington to gather together as an Archdeaconry, for the last time in its present form, both to enjoy the very real building that is our magnificent Cathedral as well as enjoying a time to get to know each other better!

### **September at-a-glance**

Not so long ago, September was the end of the season – time to put the garden to bed- but not anymore. Mild autumns allow us to continue growing plants that slot into the summer border to give you another month or two of colour & interest.

Happy Gardening.

### **General Tasks**

Keep watering, feeding & deadheading – it does pay off!

Cut back any perennial stems that have finished flowering –like Iris Sibirica- to tidy garden.

Get the compost going – clearing generates a huge amount of waste.

Repair broken lawn edges, bumps & hollows.

Make new lawns from seed but delay laying turf till October.

Plant or move evergreens so the roots can establish before the first frosts.

Clip hornbeam, beech, Leyland cypress & thuja hedges before the middle of the month.

Cut slow growing yew & box hedges now if you only want to do the job once each year.

Plant spring flowering bulbs.

Replace summer bedding as it comes to an end with plants for winter & spring interest.

Deadhead & protect dahlias- but allow them to blacken with the first frost before lifting.

Collect seed from perennials.

Walk round the garden & move any perennials or shrubs that need a different position.

Watch out for early frosts & move any tender plants under cover.

Plant spring cabbage.

Cut down asparagus foliage once it has turned yellow or buff (it may occur next month)

Pot up herbs such as chives, mint, basil, coriander & parsley.

Continue harvesting blackberries, early apple varieties – pears at the end of the month.

Reduce the watering & feeding of all greenhouse plants.

Continue to feed fish until the weather breaks.

Give a final light thinning-out of oxygenating plants, but only if necessary.
