The Rector Writes

I wonder what you are thankful for?

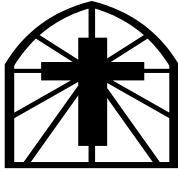

When we take time to pause and think, most of us can recognise a wide range of things that we are grateful for, such as family and friends, or treasured memories. St Cuthbert's Church has stood at the heart of Halsall for hundreds of years as a sign of our thankfulness to God. Countless souls around the parish have been grateful for the presence of St Cuthbert's and have offered thanks here in worship and at important life events over the centuries. Now, in order to ensure St Cuthbert's continues to serve our community, we need to engage in some serious fundraising.

We are very excited to invite the wider community to join these efforts. With the funds we are aiming to raise over the next couple of years, we intend to create ramped access to the graveyard and church so all can enjoy the peace and tranquillity of both the building and the outdoor space. We also need to mend the west window, replace the church roof, improve the heating system and create a community space for all to use, with a focus on enhancing well being. We will do this in a phased manner, with the help of grant-making bodies, but we also need all your help.

Please do seriously consider giving whatever you can. Our initial aim is to raise £20,000 so we can put bids into those grant-making bodies and get the ramped access in place.

It will truly take the support of the whole parish to meet our fundraising goals. Are you able to support this cause? Any amount you can contribute, however small or large, will make a difference. Details of how to offer a contribution are given elsewhere in this magazine.

Thank you for giving this some thought.
God bless, Susan

WE NEED YOUR SUPPORT

PARISH GIVING SCHEME

Prayer and worship is at the heart of all we do.

It is only with the generosity of our community that we can sustain our wonderful church and keep our clergy.

St Cuthbert's is responsible for funding everything we do as a church. Despite what some people think none of our activities are directly funded by the Diocese or the National Church.

You can use the Parish Giving Scheme to make one off donations by scanning this QR code.

FRIENDS OF ST CUTHBERT'S

You can also support St Cuthbert's by becoming "a friend".

All the funds raised through this scheme are directed to the maintenance and repair of the church building and grounds.

There is a minimum donation of £20 per year to join, but you can then choose how much and how regularly you donate.

For further information please contact info@halsallstcuthbert.co.uk

Thank you for supporting us.

Without you we cannot be the church we aspire to be.

Hello fellow residents

Many of you I'm sure will be aware, **Thursday June 6th 2024** marks the **80th anniversary of D-Day** which saw the largest naval, air and land operation in history.

As part of a wider tribute being held across Lancashire, the UK and Allied countries throughout the world, Shirdley Hill will also be taking the opportunity to remember the 209,000 plus Allied casualties of Operation Overlord. This includes nearly 37,000 ground forces and 16,714 air forces killed in the invasion of Normandy's Utah, Omaha, Gold, Juno and Sword beaches, and the long and bloody campaign that followed.

The bravery and sacrifice of those people in securing the peace and freedom we enjoy today will be observed by the lighting at 9:15 pm of beacons around the United Kingdom, Channel Islands, Isle of Man and UK Overseas Territories.

As such, I would like to invite you all to come together as a community to pay our own tribute to those who paid the ultimate sacrifice by lighting a beacon on Shirdley Hill green in celebration of the 'light of peace' that emerged out of the darkness of war.

Rod Birchall has very kindly manufactured and donated a magnificent reusable beacon for the occasion, with all residents attending having the opportunity to win the chance to light it.

In the finest traditions of Shirdley Hill, we will look to make this event one to remember. The village green and immediate area will be decked out with bunting, street poppies and D-Day 80 memorabilia. A marquee and tables will also be available for refreshments. (Residents are asked to bring their own refreshments and chairs as per previous similar events).

To help capture the mood, everyone is invited/encouraged to dress in 40's period clothing where possible and this theme will be reinforced with background music from the period. From 7pm. Best wishes,

David & Noel

Plex lane bus shelter. Further contact with the land owners has revealed that lease was extended to 2030 so the decision to invest in repairs/replacement will be reviewed.

PARKING

Cars double parking and parking on pavements are causing problems. Can residents please park in their driveways if possible and leave enough room when parking on pavements to allow prams and wheelchairs to get through. The Council frequently receives complaints about parents parking inconsiderately during the school run to St Cuthbert's School.

Potholes and Flooding

Concerning these issues, complaints to **Love Clean Streets** on this link

<https://www.lancashire.gov.uk/roads-parking-and-travel/report-it/report-it-on-the-go/>

have yielded some success with pothole repairs and street flooding issues. Halsall residents are encouraged to use this app themselves as they identify potholes and flooding, particularly the recent flooding in Carr Moss Lane and other areas. Poor pavement surfaces are also an issue, notably along New Cut Lane and around Shirdley Hill.

Restoration of Ancient public footpaths in Halsall

Halsall has a large number of public footpaths, some of which have become overgrown. Volunteers are needed to help clearing them. Please contact Chris Pyne or Liz Wright if you are willing to kindly volunteer to help.

Both year 4 children and year 5 children spent a couple of days at Winmarleigh Hall PGL camp in early May. They all had a fabulous time. A massive thanks to all those staff who volunteered to give the children this wonderful opportunity. Thanks to Mrs Crane, Mrs McElhinney, Mrs Massam, Mrs Woolrich, Miss Hampson and Mrs Tyas. And a big thanks to Mrs Floweth for organizing the trips and negotiating a really good deal. This helps us to keep costs of the trip as low as possible.

Llandudno Trip

The year 6 will be setting off to Llandudno in mid June. Last year we were blessed with Mediterranean weather. Let's hope we get something similar this time. The 27 year 6 children will be accompanied by Mrs Crane, Mrs Woolrich, Mrs Galley and Mr Scholes. We have lots of wonderful activities planned which will keep the children entertained and they'll surely be shattered by the end of each day. They'll sleep well.

Bees and Butterflies Brigade (June 2024)

The Bees and Butterflies Brigade have enjoyed some sunny and productive planting sessions so far this year – thank you to all of you who have joined in. I'm really enjoying the happy vibe of our meetings!

We sowed our wildflower seeds in the ha-ha of St Cuthbert's churchyard on the 21st April. Two weeks later they were germinating into tiny seedlings, nurtured in their warm, sheltered spot. Now, they are growing strongly and filling us with the promise of a slice of meadow filled with colour and life.

It's an exciting time, but it's important to remember that establishing a wildflower meadow takes a long time – often as long as four years. In that time, the abundance of flowers will shift and change as they colonise their new-found habitat and find ways of existing in harmony with each other. This summer, we can expect a vibrant display of colour from fast-growing annuals such as bright red field poppy and sky-blue cornflowers. Their leaves and flowers will provide food for pollinating insects but they will also provide a protective canopy for the perennial wildflowers in the mix, sheltering the upcoming generations of plants as they establish their roots. These annual species will die back with the first frosts after a long flowering season. However, their moment in the sun will have paved the way for the fastest-growing of the perennial species (plants like oxeye daisies, with their daisy-white petals and yellow centres) to thrive the following year. Please do go and have a look at how our little slice of meadow is getting on and, if you visit the churchyard regularly, I hope its evolution brings you much pleasure.

At the end of April The Bees and Butterflies Brigade were officially accepted by The Canal and River Trust as adoption partners. This sounds very grand but really means that the Trust are going to work with us to improve planting for wildlife on some of their land. A group of us wasted no time in planting up the small raised bed on the sunny side of Bridge 25, near The Saracens Head. Here, wild geranium, foxglove, feverfew and oxeye daisy are combined with late-flowering garden plants to provide colour and nectar over a long flowering season.

Our next project will be to clear and re-plant the bank on the opposite side of the canal (same side of the bridge) with a view to installing bee-friendly planting; we'll then extend the planting into the front garden of The Saracens Head. Thank you so much to the pub's new owner for his support and encouragement – these are exciting times for The Bs!

Why not join us on one of our planting sessions to make new friends and learn about bee-friendly plants? Or just pop along to where we are working and have a chat – we'll be delighted to see you. **Our next planting meeting will be on Sunday 30th June from 2pm**, when we'll be at The Saracens Head, doing our bit to help nature.

If you'd love to know how to make your own garden more nature-friendly, please email me on the address below and I'll be happy to visit you. I'm offering my time, ideas and advice in exchange for a donation of your choice to The Bees and Butterflies Brigade. All the money raised in this way goes directly to fund new planting in and around Halsall village and helps to give our pollinators a chance to thrive.
