

Getting to know each other better

**Friday 9, Saturday 10
Sunday 11 May 2025**

You might not know us at St Cuthberts Church very well. We would also love to know you better, especially if there's anything that we, as your local church, can be doing to support you. Our connection weekend will involve multiple chances for us to meet and chat.

It might be a way off, but please pop it in your diary and watch out for more information coming soon.

Highlights will include a Community Coffee Morning in the Church on the Saturday, and a Community Family Service in the School on the Sunday afternoon. Plus there are plans for a BBQ and other fun engagement opportunities.

St. Cuthbert's Church has been at the centre of Halsall community life for hundreds of years.

We are a friendly and welcoming church open to visitors and new members.
